Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Sunday 11 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Wet night for most areas. Monday bright with thundery showers.

This Evening and Tonight:
Some parts starting dry but rain and showers will become more widespread with some heavy downpours likely, possibly thundery near the coast. Drier again later in the night, with a few heavy showers persisting. Mild with light winds. Minimum temperature 12 deg C (54 deg F).

Monday:
Rather cloudy, with showery rain developing into heavier and locally prolonged showers, with some slow-moving torrential downpours and thunder. Feeling humid with any sunshine mainly across western areas. Light winds. Maximum temperature 22 deg C (72 deg F).

Outlook for Tuesday to Thursday:
Scattered sharp showers possible on Tuesday, but these should be fewer and lighter than on Monday. Conditions turning more settled from midweek with more in the way of strong sunshine.
